¹ In zowel de landelijke als regionale competities mag de thuisvereniging bepalen in welk van de 2 vakantieweekenden de wedstrijd gepland wordt. Hierbij worden de officiële vakanties van het ministerie van OCW als leidraad genomen.

² Het finaleweekend van de Basketball Cup is nog niet definitief vastgesteld. Indien week 12 wordt aangewezen als finaleweekend zal deze week automatisch een inhaalweekend worden voor de 5-5 competities en wordt deze speelronde verplaatst naar week 14. Vice versa wanneer week 14 wordt aangewezen als finaleweekend.
